Instruct your bank to add comments to the transfer

In order for us to match your payment to your order please make sure you add your name and order number on the bank transfer comments. You can also fax or email us a copy of your bank transfer receipt if you have it. (Contact Us: <http://www.chinavasion.com/contact.html>)

Instruct your bank that you will pay charges

Ask the bank staff clearly to inform you about the transfer charges including any intermediary banks. Don't worry, it is normally just a few dollars. You must elect to "pay all charges" since if the money arrives less than the required invoice price we may not be able to process your order.
